

TUITION AND FEES

Evaluate Payment Options

Bynum School provides families with 3 payment options:

1. Payment in full before August 1.
2. 10 monthly payments beginning in August. The first payment will include the tuition and the \$200.00 insurance fee.
3. 2 payments. One in August and the second in the following January.

Evaluate Need for Financial Assistance

Bynum School provides Student Grants to help with the cost of tuition. It does not cover After School Care or fees. (Funds subject to availability.)

1. Find out if your student qualifies by completing a Student Grant application **as soon as possible**.
2. Calculate monthly payment. Does the payment fit in your budget?

Example of a possible monthly payment scenario using a \$5,900.00 grant:

PAYMENT CALCULATOR (10 monthly payments)

All payments are processed on or after the 10th of each month.
